FILED: AUGUST 28, 2001

EXAMINER: GITOMER, R

FOR: POLYHYDROXYALKANOATE LEVELS AS AN INDICATOR OF BIOREACTOR HEALTH

RECEIVED
JUL 22 2003
TECH CENTER 1600/2900**RESPONSE**Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This responds to a telephone call from the Examiner relating to the above captioned case.

REMARKS

In a telephone conversation, held on July 16, 2003, the Examiner indicated that the Office had not received a response to a Requirement to Restrict, mailed 11/14/02. Applicants filed a response to the Requirement to Restrict on November 22, 2002, and enclose a copy of that response as well as a photocopy of the Return Receipt post card bearing the stamp of the Office, indicating that the response was filed.

In view of the fact that the present communication is being filed after the expiration of the statutory period for reply to the Requirement to Restrict, Applicants request clarification from the Examiner as to whether a petition to revive the application due to lack of response to an office action is merited.

I HEREBY CERTIFY THAT THIS PAPER IS BEING DEPOSITED WITH THE UNITED STATES POSTAL SERVICE AS FIRST CLASS MAIL IN AN ENVELOPE ADDRESSED TO:
COMMISSIONER FOR PATENTS, P.O. BOX 1450, ALEXANDRIA, VA 22313-1450
ON THIS DATE.

7/16/03
